My Movies

CineScope is the ultimate movie companion for Android users. With access to "The Movie DB" API, CineScope pulls relevant information for any search query and displays it in a user-friendly recycler view. Swipe left to save movies to your "My Movies" list, and easily delete or view saved movies at any time. CineScope also allows easy navigation to movie webpages, IMDB pages, or Google searches on a mere right swipe on the movie. The Settings Fragment offers three options for filtering results by vote, enabling safe search results, and filtering by date. CineScope is also localized for Spanish (Spain) speakers.

## Notable Features:

- Bottom Navigation
- Database Implementation for My Movies
- WebView for any movie (Homepage, IMDB or Google Results)
- Scrollable View for Overview within Recycler View
- Localization: Spanish (es-rES)
